

Chapter 1

Divine Providence

“Sing unto the LORD; for he hath done excellent things . . .” Isaiah 12:5a.

Did you know God has done excellent things? Do you know that God provides, directs, and cares for each part of His creation? This is Divine Providence. Studying history will help you remember the mighty works of God — His Divine Providence.

Divine Providence is God’s care for all of His creatures. He cares for the birds of the air, the fish of the sea, and the animals of the land. But most of all, He cares for each man, woman, boy and girl.

Divine Providence is God’s control of His cre-

ation. He has a plan for each boy, each girl, and each man and woman. God directs each event of history to fulfill His plan.

Divine Providence is God’s plan for each nation. His Word teaches that God chooses who will reign in each kingdom. “By me kings reign, and princes decree justice.” Proverbs 8:15.

Divine Providence is God’s timing of all events according to His plan for men and nations. He controls the many different events of history — famines, times of plenty, flood or drought, peacetime and war.
