

HIGH SCHOOL COURSE OVERVIEW

The following overview has been prepared to direct you in supervising the high school *Rudiments of America's Christian History and Government* Course.

This overview has been prepared for a thirty-six-week school year and allows a limited amount of extra time at the end of the course for testing or completing the last assignments as necessary.

Each Module is planned for a five-day week. Total work (including class and outside assignments) will be approximately 6-10 hours per week. Some Modules are more difficult than others and will require more time and effort from the student. Submit each assignment upon completion.

If you have any questions, please contact Pilgrim Institute.
